

```
basic_fstream_guard  
::basic_fstream_guard
```

A diagram illustrating a transformation. On the left, a gray rectangular box contains the text 'basic_fstream_guard' followed by '::basic_fstream_guard' on the next line. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box also contains the text 'basic_fstream_guard' followed by '::basic_fstream_guard' on the next line. Both boxes have a thin black border.
