

bitmask::clear

```
graph LR; A[bitmask::clear] --> B["bitmask::__calculate  
_size_of_bits_in_bytes"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `bitmask::clear`. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box has a black border and contains the text `bitmask::__calculate` on the first line and `_size_of_bits_in_bytes` on the second line.
