

std::pmr::memory_resource

```
graph BT; A[large::memory_resource] --> B[std::pmr::memory_resource]
```

A diagram illustrating the relationship between two memory resource classes. At the bottom is a gray rectangular box containing the text 'large::memory_resource'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'std::pmr::memory_resource'. This visualizes that 'large::memory_resource' inherits from or is a specialization of 'std::pmr::memory_resource'.
