

`equal_to::operator()`

```
graph LR; A[equal_to::operator()] --> B[compare]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a dark gray border and contains the text `equal_to::operator()`. The right box is gray with a dark gray border and contains the text `compare`. A blue arrow points from the right side of the first box to the left side of the second box.

`compare`
