

partition_unstable

```
graph LR; A[partition_unstable] --> B[partition_unstable_if];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'partition_unstable'. The right box is white with a thin black border and contains the text 'partition_unstable_if'. The arrow points from the right side of the first box to the left side of the second box.

partition_unstable_if
